Award / Compl. Year	Site Description	Client	Consultant	Description of Project	Approximate value inc. VAT
2016 **	Rimer's Creek WTW, Barberton	Ehlanzeni District Municipality	Afri-Infra Group - Krynauw Coomans 082 400 5045	Removal of failed filter floor and replacement with new precast concrete false floor.	R1,3 Million
2016 *	Maselspoort WTW, Bloemfontein	Manguang Metro Municipality	Bigen Africa - Llewellyn Biggs 079 497 3144	Supply install and installation chemical dosing plant for water treatment works including lime, polyelectrolyte and ferric dosing, including electrical equipment	R9,8 Million
2016 *	Tonga WTW	Nkomazi Local Municipality	Tumber Fourie Louis Fourie 013 752 7475	Supply and installation of filter floors and associated equipment and settling tank de-sludge valves for 10MI/day extension	R4,1 Million
2015 *	Riverton WTW Pumps Station, Kimberly	Sol Plaatjie Mun.	Delport du Preez - Jaco Delport 083 274 9767	Supply and installation of 4 x 0.466 m ³ /s High Lift pump sets, valves and electrical equipment with soft starters. Total power 5.8MW upgradable to 9.7MW	R25,7 Million
2014/16 **	Vaalkop WTW Pilanesberg High Lift Pump Station	MDSC JV/Magalies Water – Sobona Ngoma 0823224525	S & W Limpopo - Louis Blom 015 295 4145	Supply and installation of 4 x 0.386m ³ /s High Lift and Booster Pump sets, piping, valves & 10t EOT crane. Total pump capacity 1.544m ³ /s. Total installed power 6.4MW	R37 Million
2013/16 **	Mooi-Mgeni Pump Station, Rosetta	TCTA / WBHO James Nyakale 0825754517	AECOM (BKS) - Eric Brits 012 421 3500	Supply and installation of 3 x 2.25m ³ /s High Lift Pump sets, piping, valves & 15t, EOT crane. Total pump capacity 6.75m ³ /s. Total installed power 6.5MW	R44 Million
2013/15 **	Mearns Pump Station, Rosetta	TCTA – James Nyakale 0825754517 0126831200	AECOM (BKS) - Eric Brits 012 421 3500	Complete refurbishment of Low Lift and High Lift Pump sets, electrical equipment, piping and valves.	R47 Million
2012/13 **	Rustfontein WTW, Bloemfontein	Bloem Water	Aurecon - Graeme Evers 021 526 9556	Supply and installation of 2 x high lift, tandem pump sets, piping, valves and electrical equipment. Total pump capacity 1.1m ³ /s. Total installed power 3.5MW.	R18,3 Million

Award / Compl. Year	Site Description	Client	Consultant	Description of Project	Approximate value inc. VAT
2012 **	Olifants River Resources Development, Steelpoort Pump Station	TCTA / Basil Read	Aurecon – Ndodana JV – Johan v Niekerk 082 8042724	Supply and installation of 8 x high lift pump sets, piping, valves, gantry crane, oil/water separator, domestic water plant, HVAC equipment. Total pump capacity 3.2m ³ /s. Total installed power 13.4MW.	R66,7 Million
2012 **	Tonga WTW	Nkomazi Local Municipality	Tumber Fourie Louis Fourie 013 752 7475	Supply and installation of filter floors and associated equipment, settling tank valves and chemical dosing equipment for 10MI Extension	R5,1 Million
2011/14 **	Inyaka WTW Phase 3 & 4, Bushbuck Ridge	Dept. of Water Affairs - Ballot Marx 082 8857432	Bigen Africa - Corrie Marx 012 842 8700	Supply and installation of raw water pumps, chemical dosing equipment, filtration plant, sedimentation tanks and electrical equipment for a 50MI/day water treatment works.	R50,5 Million
2011/13 **	Homevale Pump Station, Kimberly	Sol Plaatje Municipality - Willie Swiegers 084 4437709	Aurecon - Les O'Connell 053 831 6859	Supply and installation of 2 x pump sets, piping, valves and electrical equipment for the Kamfer's Dam effluent removal.	R6,7 Million
2011/16 **	Mokolo raw water pump station for Lephalale & Medupi Power Station	TCTA / Aveng	MCC – Aurecon Paul le Roux 012 643 0670 083 3034927	Supply and installation of 6 x pump sets, piping, valves, gantry crane, oil/water separator, domestic water plant, HVAC equipment and sluice gates. Total pump capacity 1.9m ³ /s. Total installed power 6.9MW.	R49,8 Million
2011/16 **	Eskom Kusile Power Station, Witbank	Eskom	Black & Veatch - Jeff Potter 011 260 5414	Design, procure and supply 110 x pump sets for the General Services and Fire Water Pump duties.	R75,5 Million
2010/14 **	Sterkfontein WTW, Harrismith	Maluti-A-Phofung Local Municipality	Miletus Consult - Dries Lategan 058 623 1078	Design, supply and installation of mechanical and electrical equipment for the complete 9MI/day water treatment works	R22,8 Million
2010/12 **	Zeeland WTW, Lephalale	Exxaro / Civcon	BKS - Stewart Seath 012 4213500	Design, supply, installation and commissioning of filter false floor system, mechanical equipment and chemical dosing for the 20MI/day Extensions	R16,4 Million

Award / Compl. Year	Site Description	Client	Consultant	Description of Project	Approximate value inc. VAT
2010/12 **	Nelspruit Water Treatment Works, Nelspruit	Silulumanzi / Inyatsi-Ulusha JV	Bigen Africa – Ian Pollard 012 8428700	Design, supply, installation and commissioning of lateral filter floor system, mechanical equipment and chemical dosing for the 25Ml/day Extensions	R11,9 Million
2009/10 **	Optimum Colliery, Hendrina	Keyplan	Delf Consulting Engineers	Supply and installation of precast panel false floors for three Green Sand filters	R0,49 Million.
2008/10 **	Olifantspoort WTW, river extraction pump station, Lebowakgomo	Lepelle Northern Water Mr. Gys Lotter 082 9051761	Ingerop SA Adam Botha 011 808 3000	Upgrading of the highlift pump station, two booster pump stations and river abstraction pump station consisting of 6 x 970kW Sulzer multistage pumps and 10 x 55kW, ABS submersible pumps. Contract includes for installation, commissioning and maintenance of the plant for one year.	R57,6 Million
2008/10 **	Grobblersdal WTW	Greater Sekhukhune District Municipality	Tumber Fourie Louis Fourie 013 752 7475	Replacement of raw-water river extraction pumps, design, supply and installation of mechanical equipment for 4 new filters for the 7Ml/day extensions	R5,5 Million
2008/10 **	Riverton WTW pump station, Kimberly	Sol Plaatje Municipality Mr. Willie Swiegers 084 4437709	Aurecon Les O'Connell 053 831 6859	Supply, installation and commissioning of one additional 1100kW Sulzer vertical High Lift Pump set, switchgear & controls. Contract includes for maintenance of the plant for one year	R6,6 Million
2007/08 **	O R TAMBO International Mail Sorting Centre	SAPOS	PDNA & Associates	Removal of existing immersible sewage pump sets, supply installation and commissioning of two Gorman Rupp dry well pump sets, electrical MCC and civil modifications	R0,87 Million
2007/10 **	Inyaka Water Treatment Works	DWAF	Bigen Africa Corrie Marx 012 842 8700	Design, supply, installation and commissioning of lateral filter floor system, mechanical equipment and chemical dosing for the 25Ml/day Phase 2 Extensions	R12,2 Million
2007/09 **	Temba Water Treatment Works, Hammandskraal,	City of Tshwane	Bigen Africa Corrie Marx 012 842 8700	Supply, installation and commissioning and maintenance for one year of mechanical and electrical equipment for two 355kW, KSB pump sets.	R3,3 Million

Award / Compl. Year	Site Description	Client	Consultant	Description of Project	Approximate value inc. VAT
2007/09 **	Parys Water Treatment Works – Phase 2	Ngwathe District Municipality	Phumelela Africa	Demolition of existing filter floors, design, supply, installation and commissioning of new false floor filters, mechanical, chemical dosing and electrical equipment	R4,1 Million
2006/08 **	Grobblersdal Water Treatment Works	Greater Sekhukhune District Municipality	Tumber Fourie – Louis Fourie 082 558 2316	Demolition of existing false filter floors, design, supply, installation and commissioning of new lateral filter floors, clarifer de-sludge valves and lime dosing system	R2,5 Million
2006/11 **	Nandoni Water Treatment Works, Limpopo	DWAF Mr. Chris Deysel 082 8857432	PDNA & Associates Chris Warner 021 786 3635	Design, supply, installation and commissioning of filter false floors, 3 x 550kW Vogel & 2 x 800kW Weir high lift pumps, auxilliary pumping equipment, piping, valves, cranes and chemical dosing equipment for the new 60 MI/day purification plant. Contract includes for maintenance of the plant for two years.	R41,5 Million
2005/07 **	Hoxane Water Treatment Works	Bohlabela District Municipality	Hawkins Hawkins & Osborn	Design, supply, installation and commissioning of filter false floor components, clarifier bridge, mechanical and electrical equipment for the 10MI/day extensions	R5,7 Million
2005/07 **	Parys Water Treatment Works – Phase 1	Ngwathe District Municipality	Phumelela Africa	Construction of civil structures, design, supply, installation and commissioning of mechanical, chemical dosing and electrical equipment	R8,0 Million
2005/07 **	Thulamahashe Water Treatment Works	Bohlabela District Municipality	Tumber Fourie – Louis Fourie 082 558 2316	Design, supply, installation and commissioning of lateral filter floor components, pumping equipment, chemical dosing and electrical equipment	R1,92 Million
2004/06 **	Ekanustria Emergency Pump Station, Cullinan	Rand Water	Stewart Scott - Leon van Genderen 012 367 5800	Supply, installation and commissioning of mechanical and electrical equipment for four 375kW, 3.3 kV Sulzer multi-stage pump sets and installation of Hypo Dosing Plant. Contract includes for installation, commissioning and maintenance of the plant for one year	R17,7 Million
